and free from violence by strengthening families and preventing child abuse.

Our Parent Partners program continues to utilize the nationally recognized and evidence-based SafeCare model.

Through the fiscal year ending August 31, 2017, our Parent Partners Program positively impacted 122 families which included over 250 children. Families displayed a 90% improvement in essential parenting and child bonding skills. Over 1,000 home safety hazards were removed from the homes of the families we served.

Our Parenting Classes and Family Enrichment Workshops educated 690 participating parents over the year here in Pima County.

Within these holistic and complimentary programs, we work to educate parents and support families in developing the skills and knowledge to be successful.

Some key target areas include:

- Improving parenting skills
- Increasing knowledge of child development
- Enhancing family communication
- Assisting families to develop and utilize community and personal support systems
- Improving family and child health and nutrition
- Developing and strengthening life skills (budgeting, home safety and anger management)
- Empowering families to become self-sufficient and able to cope with life challenges
- Helping families identify ways to keep their home environment a safe place for their children by understanding the different hazards in their home.
